PangaCraft 7.6 meter & 25Feet

If you are looking for the most affordable Panga prices with the maximum quality built in on commercial fishing boats, recreational pleasure boats, and fuel efficient boats you have come to the right page. We are your Panga Boat manufacturer and custom boat builder to fit any budget. If you want a refined finish smooth inner liner we offer this 25 foot Panga boat that is equal in quality to any other brand yet priced factory direct with free global shipping included in all our boat prices. In fact all our boats are priced about the same or less than the competition yet include global shipping and are without question comparable in quality.

The following are just a few of the features you will rarely see in any other Panga for the price. Unlike some so called panga boats for sale ours are the genuine panga design including the delta pad which is the source for the smooth ride in bay chop and the source for why our 25 foot panga boat can cruise 41 mph with just a single 115 horse power outboard. You simply will not find anything like our innovative design features built into every boat.

At this time we have no dealers and sell factory direct to the individual. We build to order. If you can wait 60 to 90 days for delivery we can deliver the best value 25 foot panga fishing boat custom made to your design. Get Your Instant Online Quote For The 25' Panga Here
