

PangaCraft 19'

PangaCraft 19' recreational with high gloss innerliner

The 19 foot panga is made for family boating as well as the weekend fisherman. The 19'PangaCraft fiberglass boats are the highest quality design and workmanship. The panga 19 is individually made with the buyer's hull color selection as standard. Get great fuel economy at speeds of up to 40 mph with a 70 horse power engine. Run all day with your friends for about twenty dollars in fuel as compared to our test run from Black Point to up the Miami River to Elliot Key and back cruising around Biscayne Bay . Most classic Allmand boats built from the 1960s through today are still on the water providing in enjoyment to the original or used owners. Virtually of our early boats as early as from 1964 are collected and restored to their original condition condition. We build our panga boats today the same way we did in the past. we figure why mess with success. Building the time tested way means our hulls could last a lifetime. Allmand boats offers custom-made to order designs for every model listed on the website.
